ViraNorm Capsules

Powered by Nature
Driven by Hope

Viranorm is the first ayurvedic medicine to systematically prove through a large clinical trial, that it reduces NLR and helps in faster & better recovery from COVID.

Trial data proves that cell level immunity (Cellular Immunity) improves and inflammation at the cell level is reduced with Viranorm.

Increase in cellular immunity and reduction in cellular inflammation can be measured by using a simple formula called Neutrophils – Lymphocytes Ratio (NLR).

Pesticide Free
